

HOLLISTON COMMUNITY NEWSLETTER

Fall Registration Night is **Wednesday, September 5, 2018, from 6:30 - 8:00 p.m. in the Holliston School Gym**, 1511 Louise Avenue (gym entrance off 3rd St E). A membership fee of \$15.00/individual or family per year is required to participate in programs. HCA does however honour other community association memberships. A \$10.00 late registration fee will apply to all programs. We will make every effort to have the information on the HCA website prior to registration day. There will also be updated program information sheets at the registration night. For further program details and updates please consult the Holliston Community Association website at: www.hollistoncommunityassociation.com

Unfortunately Holliston is unable to offer any indoor basketball programming this year. Our outgoing coordinator Leah Heilman has done an excellent job for the last few years and despite seeking a replacement a full year ahead of her departure we have not had any volunteers step up. Thank you so much, Leah, for all your hard work!

We would like to remind families that if covering the cost of program fees for you or your child is a challenge, please contact the HCA or any member of the HCA Executive, regarding your concern prior to registration so that you may participate in a program.

The KidSport program is available to families that are on a low income, unemployed, or currently receiving income support through provincial government are all considered eligible. KidSport considers

social and economic barriers facing the child's family when determining eligibility. Grants are for children and youth up to 18 years of age. Financial support up to \$750 per child per calendar year (January-December) towards sport registration fees and in some cases equipment. Applications must be submitted before the start date of the sport activity. Priority will be given to subsidization of participation/registration fees. Costs related to dance, camps, travel, championships, high performance, etc.

WARD 6 - CYNTHIA BLOCK, City Councillor

I hope you've been getting in some Saskatooning this summer. It's been an exceptionally great summer in the city with fabulous weather, festivals and events. It's also been a busy one at City Hall.

Public and stakeholder engagement are ongoing as Council tries to flush out the way forward for transportation, as directed by the Growth Plan. Bus Rapid Transit (BRT) is designed to change how we do transit and thereby increase ridership, reduce vehicle congestion and ensure Saskatoon is prepared for the future – for the same operational cost that we spend today.

An All Ages and Abilities Cycling Network is also part of the Growth Plan. Cities across North America, including cold cities like ours (Winnipeg, Calgary, Edmonton) are moving to this model in order to improve traffic flow, enhance safety and increase options for those who either cycle or use other wheels

such as walkers and wheelchairs. Further study is underway to look at options for a waste utility, which would include black/blue/green bins and the option to Pay as You Throw (PAYT) based on bin size. The current system is unsustainable both financially and environmentally.

Council has passed a bylaw that will regulate the sale of Cannabis once it becomes legal in October. Of note, cannabis sales will be prohibited within 60 metres of schools. Council has directed a stand-alone bylaw for ride-share companies such as Uber and Lyft. Provincial regulations for the new service are expected to be in place by October.

Both the Traffic Bridge and North Commuter Bridge will open in October. Also, a report on engineered solutions for major Flood Zones is expected this fall. Several new projects are expected to come before

Council in the next few months, including one at the top of the University Bridge and two or three in the Broadway District.

I hope to see you at the **Broadway Street Fair on September 8th**. I'll be hanging out at the Ward 6 booth, and you might also find me at the dunk tank.

We will be offering soccer programs for children under the age of 6, 8, and 10. Older children register directly with the Eastside Soccer Association online at www.eastsidessoccer.ca.

Under 6 soccer: This program is also known as TimBits soccer. The Holliston teams will have regularly scheduled weekly gym times at Holliston School for practices and home league games. There will also be away league games at other school gyms that may not be on the same weeknight as the Holliston gym times. Also, on one Sunday per month there will be a mini-jamboree game on the indoor turf at the Sasktel Soccer Centre. From past experience, we would not recommend Under 6 indoor soccer for children who are not at least 4 and a half years old at the start of the soccer season.

Under 8 soccer: The Holliston Under 8 teams will have a regular weekly practice at the Holliston School gym. Based on past years, this is likely to be Monday or Tuesday at 6:00pm or 7:00pm, but we cannot give assurances at this time. The Under 8 teams will be placed in either a Sunday league, and will have a league game most weekends. The games can be anywhere between 8:00am and 8:00pm, and they vary from week to week.

Under 10 soccer: If we do not have enough boys or girls to form a Holliston team, we will combine with a nearby community. Under 10 teams will have a weekly practice at either Holliston School or another nearby school. Boys will have either a Monday or Tuesday game and Girls will have a Monday game. Based on last year most games start anywhere between 5:15pm and 8:15pm.

Please be aware that we cannot be more specific about the date of games or practices at this time. The actual gym times will be assigned after we know how many teams we have and who the coaches will be. Also, we do not have complete control over which league nights SYSI places our Holliston teams. We need parent coaches for our teams so if you are interested please let us know at registration!

Nominate your Snow Angel

If your neighbour is elderly, has health concerns or mobility restrictions, lend a hand by clearing their sidewalk. If you receive help from a neighbour/relative, nominate them as a Snow Angel online or mail in their name and phone number to:

We will send your Snow Angel a thank you and enter them in a prize draw!

Holliston Community Association AGM

The Holliston Community Association will be holding their Annual General Meeting on Monday, October 1, 2018 at 7pm in the Holliston School Library. We are looking for new blood and would love to have you on board!

President	Kelly Macsymic
Treasurer	Laura Williams
Secretary	Vacant
Adult Indoor Coordinator	Kim Froc
Preschool Coordinator	Heather Kosloski
Social Coordinator	Dominic Montpetit
Soccer Coordinator	Laura Kate Laliberte
Basketball Coordinator	Vacant
Rink Coordinator	Brad Farmer/Don McCrea

We continue to struggle filling positions on our Executive. We are willing to assist any new individuals that come forward to fill these vital roles in our community. The basketball program has been a casualty of our lack of volunteers. Executive meets monthly, program coordinators are needed by season.

Holliston Community Preschool

We are a cooperative preschool, therefore parents are expected to help in the classroom on a rotating basis. Our Preschool is required to have one (1) adult per five (5) children in attendance that means that each family should be prepared to work two (2) sessions per month. It is essential that you be at the Preschool on your scheduled day.

The teacher constructs a standard daily routine that gives the children security in knowing what will be happening. The teacher offers experiences in Art and Crafts, Music, Reading, and Fine and Gross Motor skills. There is a variety in the changing themes, field trips and set-up of the classroom.

Each child is assigned a Show and Tell day on a regular basis to bring a special book, toy, picture, etc. to share with the other children. There will be more information in the Preschool Newsletter describing when it starts and how it works. Generally, your child will have their show and tell on the dates that you are the parent helper.

Several field trips are taken throughout the year, provided the dynamics of the class(s) allow. Permission slips are required to simplify the process we have you sign a general consent form at the start of the year to cover all field trips. Due to insurance requirements a chartered bus will be taken to and from the field trip sites. Parents who are not comfortable with busing may drive their own child to the field trip site. On field trips, extra volunteers are welcome, usually at no extra cost.
