RE-ELECT
CynthiaBlock

CITY COUNCIL | WARD 6

Hello Holliston!

Thank you for the privilege to represent you over the past four years. It has truly been an honour to be your voice at City Hall.

I've been committed to getting back to basics in historic Ward 6 neighbourhoods, with a focus on essential infrastructure including roads, sidewalks, water mains and flood control. I have addressed parking and traffic concerns, with many new safety improvements through the Neighbourhood Traffic Review. I believe these are the basic building blocks of safe, sustainable and vibrant neighbourhoods.

Together, we have made tremendous progress even as we have more work ahead. I remain motivated by the work of building a sustainable future for our city and ensuring that our historic neighbourhoods are not left out.

If you re-elect me as your City Councillor on November 9th, I will continue to work with passion and commitment to have your concerns heard. By building on the basics, we will ensure a healthy, liveable and prosperous future for all Ward 6 neighbourhoods.

The board is working with the Preschool's teacher to prepare to open safely as soon as possible.
