Were hosting a community clean-up on May 28 from 9-2pm

In the George Ward Pool parking lot. Come out and help us clean up our community this Spring!

Volunteers Needed!!!

Help strengthen and grow our Community. Whether you have a few hours here and there or you want to take one of the vital positions we need to fill in our board, **Every little bit helps.** If you or anyone you know is interested in volunteering with Holliston Community Association please contact us by email or on Facebook. hollistonca@gmail.com. Our next meeting is April 4, 2022 at Holliston school library and via ZOOM. We're looking for:

VOLUNTEER

- Indoor Programs Coordinator
- Basketball Coordinator
- Newsletter Coordinator
- Members at large

Happy Spring Ward 6 –

Construction season is just around the corner with a number of big projects planned in our neighbourhoods. The work can be disruptive, but it is great to see so many improvements to roads and sidewalks as the City works to make projects run as smoothly as possible. To find out more go to: saskatoon.ca/construction The interactive map is a great tool, plus you can sign up for updates on specific projects.

I want to highlight the City of Saskatoon's newly adopted 2022-2025 Strategic Plan. This guiding document sets the direction and priorities for City Council and administration over the next four years. saskatoon.ca/strategicplan While service delivery and basic infrastructure remain the bedrock of civic work, these strategic files are supporting concrete actions to align with the Official Community Plan. There are 10 priority areas, with each member of Council leading one of them:

Reconciliation, Equity, Diversity and Inclusion - Economic Development – Community Safety and Well-Being – Engagement on Infill and Growth – Regional Planning – Downtown Development -Environmental Sustainability – Transportation – Recreation, Culture and Leisure – Smart City (IT). I am excited to continue as Council's strategic lead for Downtown Development. During this Council term a formal advisory group is being created to begin planning the Downtown Entertainment District, and a decision is expected on the location for a future arena. Thanks to the Downtown Stimulus Strategy created last term, we have a new tool to promote the heart of our city. *"Downtown Saskatoon: Urban with a Prairie Heart"* is an exceptional collaboration among many partners and volunteers. dtnyxe.ca/destination-downtown/

Don't forget to get your green cart subscription before April 30th to receive the early bird price at \$65 for the season. saskatoon.ca/greencart

Have your say by weighing in on a number of areas under review by the City: **infill guidelines, childcare/group homes, park development standards and tree protection.** saskatoon.ca/engage

You can sign up for e-updates to find out the latest from City Hall, and the next date for Coffee with Your Councillor (hopefully, in real life). cynthiablockward6.com

Many thanks to everyone helping us get through the pandemic and supporting others in crisis at home and around the world. It all seems like too much sometimes, but I am constantly amazed and encouraged by the strength and kindness in our community. Keep up the great work!

Sincerely, Cynthia
